We are pleased to inform you that the Department of Electronics & Communication Engineering is organizing a **One Day National Level Technical Symposium** for the Young Technocrats of various Engineering Colleges all over India. It has been a passion for the Institute to conduct such programs for UG students to update the latest trends in technology innovations, thereby their knowledge base is strengthened. It also provides a platform for young engineers from various Engineering colleges of different states to interact with the young skilled students from various institutions.

On this occasion, we request you to encourage the students of your Institute for dynamic participation in the above said event. Your cooperation in this regard shall be highly appreciated. The informative poster is enclosed herewith. It is requested to give a wide publicity by circulating this among the UG students.

Thank you,

DIRECTOR
Dr. V. Vijaya Kumar Reddy
